FROM:

Chief, Printing and Photography Group, OL

SUBJECT: Response to National Security Agency's  
Request for Printing Three Classified  
Publications

1. Attached you will find the draft of a letter for the Deputy  
Director for Administration's (DDA) approval to the 25 July 1989  
National Security Agency (NSA) request for classified printing  
support.

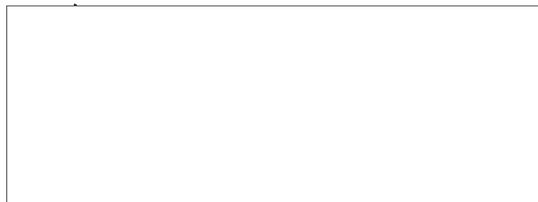

2. I have determined that the impact of the NSA requirements on  
the Printing and Photography Group (P&PG) workload will be minimal.  
Time and material costs will not exceed \$1,800 and will be  
reimbursed. I am, therefore, recommending that the Agency honor  
this request.

3. I further suggest that  our Production Manager,  
be named as our point of contact.

4. If you have any questions, please advise.
